The apportioned value will be considered **a)** a separate Unit of Insurance for deductible calculations as specified in Section **B. DIFFERENCE IN CONDITIONS COVERAGE

Various Provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section I., **Definitions**.

A. COVERAGE

In return for your payment of the required premium, we will pay for all risks of direct physical loss or damage to Covered Property at the locations described in the Declarations caused by or resulting from a Covered Cause of Loss. A Covered Cause of Loss means risks of direct physical loss unless the loss is excluded in Sections **C.**, **Property Excluded** or **D.**, **Causes of Loss Excluded**, or excluded or limited in the Declarations or by endorsement.

1. Covered Property

- a. **Building**, meaning the building or structure at the locations described in the Declarations, including:
 - (1) Completed additions;
 - (2) Fixtures, including outdoor fixtures;
 - (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
 - (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
 - (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to buildings or structures at the locations described in the Declarations. An addition does not include new construction of any separate building or structure;
 - (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described location, used for making additions, alterations or repairs to the building or structure.
- b. **Contents**, meaning furniture, fixtures, machinery and equipment being property belonging to you, or such properties of others in your care, custody or control and for which you are liable in the event of a direct physical loss.

- c. **“Stock”**, meaning merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping, including such properties of others in your care, custody or control and for which you are liable in the event of a direct physical loss.
- d. **Tenant's Improvements and Betterments**, meaning fixtures, alterations, installations or additions:
 - (1) Made a part of the building you occupy but do not own; and
 - (2) You acquired or made at your expense but cannot legally remove.

2. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraph (3) below, we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to remove debris caused by an excluded cause of loss.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will not be liable under this policy for:
 - (a) Any greater proportion of such expense than the amount of insurance hereunder bears to the total amount of all insurance, whether all such insurance contains this clause or not.
 - (b) Loss occasioned by the enforcement of any state or municipal law or ordinance which necessitates the demolition of any portion of the building which has not suffered loss by any Covered Cause of Loss unless such liability is otherwise specifically insured by this policy.

b. Limited Coverage for “Fungus”, Wet Rot, Dry Rot and Bacteria

- (1) The coverage described in A.2.b.(2) only applies when the “fungus”, wet or dry rot or bacteria is the result of a Covered Cause of Loss that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) The amount of \$5,000 is the most we will pay for loss or damage by “fungus”, wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by “fungus”, wet or dry rot or bacteria, including the cost of removal of the “fungus”, wet or dry rot or bacteria;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the “fungus”, wet or dry rot or bacteria; and

- (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- (3) The coverage described under **b.(2)** of this Limited Coverage is limited to \$5,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all loss caused by Covered Causes of Loss which take place during the policy period. With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$5,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limits of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limits of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

Increase in loss or damage as used in this Limited Coverage means any loss, damage, cost or expense resulting from the presence, treatment, removal or disposal of "fungus", wet or dry rot or bacteria as excluded in this policy.

c. Limited Coverage for Land Stabilization and Building Foundations

- (1) We will pay your expenses, including engineering costs, to replace, stabilize or restore the land that supports the damaged Building when necessary in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by an "earthquake" or "flood". This Limited Coverage is only provided if a limit for "earthquake" or "flood" is shown in the Declarations.

The Limited Coverage under this subsection **c.(1)** does not apply to expenses to stabilize or restore the land unless the stabilization or restoration is required in order to repair damage to the damaged Building located directly upon that land that is the result of a loss otherwise covered under the terms of this policy. This Limited Coverage does not apply to costs to stabilize or restore land if the land damage is caused by an excluded cause of loss.

We do not provide any other coverage for land, land damage or landscaping.

- (2) We will pay your expenses to repair or replace Building foundations when required in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by an "earthquake" or "flood". This Limited Coverage is only provided if a limit for "earthquake" or "flood" is shown in the Declarations.

The Limited Coverage under this subsection **c.(2)** does not apply to expenses to repair or replace Building foundations unless the repair or replacement is required in order to repair damage to the damaged Building located directly upon those foundations, that is the result of a loss otherwise covered under the terms of this policy. This Limited Coverage does not apply to expenses to repair or replace Building foundations if the damage to the Building is caused by an excluded cause of loss.

As used in this Limited Coverage, Building foundations means the foundations of buildings, machinery or boilers if their foundations are below:

Office, Inc., with its permission.

- a. The lowest basement floor; or
- b. The surface of the ground, if there is no basement;

The amount of \$5,000 is the most we will pay for land stabilization and Building foundations under this Limited Coverage. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all losses caused by "earthquake" or "flood" which take place during the policy period.

Structural damage to the Building must exceed the deductible in order for this Limited Coverage to apply.

The expenses for land stabilization and/or Building foundations will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

Payments made for coverage under this Limited Coverage for Land Stabilization and Building Foundations are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

B. DEDUCTIBLE CLAUSE

All claims for loss or damage arising out of a single "loss occurrence" will be adjusted as one claim, and we will then be liable for the excess of the percentage(s) or amount(s) shown in the Declarations, but in no event to exceed the applicable Limits of Insurance. If two or more causes of loss covered by this policy contribute to a single "loss occurrence", the total deductible will not exceed the largest deductible applicable.

1. Per Unit of Insurance

If the deductible percentage shown in the Declarations is applied Per Unit of Insurance, the deductible is calculated separately for, and applies separately to each Unit of Insurance that sustains loss or damage from a "loss occurrence". The total values at risk Per Unit is the total stated value for each separate unit of insurance as shown on the Declarations or the latest Schedule of Values and Locations. Each of the following is considered a separate Unit of Insurance:

- a. Each separate Building;
- b. All Contents of each separate Building;
- c. Property in the open, including Covered Property which is not a permanent part of a Building in item a. above, at each location covered;
- d. Time Element exposures (the sum of Business Income, Extra Expense, Rental Value, Maintenance Fees and any other time element coverages as specifically covered by this policy) applicable at each location covered;
- e. All other coverage forms with respect to each location (separately), whether or not such location has more than one unit as defined in a., b., c. and d. above.

EXAMPLE – APPLICATION OF PER UNIT OF INSURANCE DEDUCTIBLE

One location with one Building:

Building #1 - The total stated value of the Building is \$800,000, Contents is \$700,000 and Business Income is \$200,000

The total loss at Building #1 = \$100,000 in Building damage, \$600,000 in Contents damage and \$150,000 for Business Income loss.

Deductible = 10%

Step 1: Building deductible = \$800,000 x 10% = \$80,000

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

© ISO Properties, Inc., 2007

Step 2: Contents deductible = $\$700,000 \times 10\% = \$70,000$

Step 3: Business Income deductible = $\$200,000 \times 10\% = \$20,000$

Step 4: $\$100,000 - \$80,000 = \$20,000$

Step 5: $\$600,000 - \$70,000 = \$530,000$

Step 6: $\$150,000 - \$20,000 = \$130,000$

The most we will pay is \$680,000. That portion of the total loss not covered due to the application of the deductibles is \$170,000.

2. Per Location

If the deductible percentage shown in the Declarations is applied Per Location, the deductible is calculated separately for, and applies separately to, each location that sustains loss or damage from a "loss occurrence". The total values at risk per location is the total stated value of all Covered Property and Time Element exposures (the sum of Business Income, Extra Expense, Rental Value, Maintenance Fees and any other time element coverages as specifically covered by this policy) covered at each location as shown on the Declarations or the latest Schedule of Locations and Values, regardless of whether such Covered Property incurred loss or damage.

EXAMPLE – APPLICATION OF PER LOCATION DEDUCTIBLE

Two locations with two Buildings at location #1 and one building at location #2:

Location #1, Building #1 - The total stated value of the Building, Contents and Business Income is \$1,920,000. The Total Loss for Building, Contents and Business Income at Building #1 = \$1,000,000

Location #1, Building #2 - The total stated value of the Building, Contents and Business Income is \$140,000. The total loss for Building, Contents and Business Income at Building #2 = \$30,000

Location #2, Building #1 – The total stated value of the Building, Contents and Business Income is \$900,000. The total loss for Building, Contents and Business Income at Location #2 = \$200,000

Deductible = 10%

Step 1: Total loss at Location #1 = $\$1,000,000 + \$30,000 = \$1,030,000$

Step 2: Total loss at Location #2 = \$200,000

Deductible applied to Location #1 = $(\$1,920,000 + \$140,000) \times 10\% = \$206,000$

Deductible applied to Location #2 = $\$900,000 \times 10\% = \$90,000$

The most we will pay is \$934,000. That portion of the total loss not covered due to the application of the deductible is \$296,000.

3. Per Policy

If the deductible percentage shown in the Declarations is applied Per Policy, the deductible is calculated as a percentage of the total stated value of all Covered Property and Time Element exposures (the sum of Business Income, Extra Expense, Rental Value, Maintenance Fees and any other time element coverages as specifically covered by this policy) covered by this policy at all locations described in the Declarations or the latest Schedule of Values and Locations, regardless of whether such Covered Property incurred loss or damage.

EXAMPLE – APPLICATION OF PER POLICY DEDUCTIBLE

Office, Inc., with its permission.

Two locations with one Building at each location:

Location #1 - The total stated value of the Building, Contents and Business Income is \$2,000,000.

The total loss for Building, Contents and Business Income at Location #1 = \$1,600,000

Location #2 – The total stated value of the Building, Contents and Business Income is \$400,000.

The total loss for Building, Contents and Business Income at Building #2 = \$0

Deductible = 10%

Step 1: \$2,000,000 + \$400,000 = \$2,400,000 (total Policy values)

Deductible applied to the policy = \$2,400,000 x 10% = \$240,000

The most we will pay is \$1,360,000. That portion of the total loss not covered due to the application of the deductible is \$240,000.

The total loss shown in the examples 1, 2, and 3 above is the adjusted loss after deduction for all applicable calculations have been taken.

F. OTHER POLICY CONDITIONS

1. Changes

This policy contains all agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy. Notice to any agent or broker or knowledge possessed by any agent or broker or by any other person will not constitute a waiver or a change in any part of this policy or stop us from asserting any right(s) under the terms of this policy.

3. Inspections And Surveys

a. We have the right to:

- (1) Make inspections and surveys at any time;
- (2) Give you reports on the conditions we find;
- (3) Recommend changes; and
- (4) Make appraisals and valuations.

b. We are not obligated to make any inspections, surveys, reports, appraisals, valuations or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. Valuations and appraisals do not constitute a recommendation regarding the adequacy of Limits of Liability under this policy.

We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And we do not warrant that conditions:

- (1) Are safe or healthful;

- c. Paragraphs **a.** and **b.** of this condition apply not only to us, but also to any rating, advisory, rate service or any organization which makes insurance inspections, surveys, reports or recommendations.

4. Minimum Retained Premium

In the event of cancellation of this policy at your request, the policy Minimum Retained Premium will be the percentage of the policy premium shown in the Declarations. Your failure to make a timely payment of premium will be considered a request by you for us to cancel. If we cancel for non-payment of premium, the minimum retained premium or minimum earned premium, whichever is greater, will be immediately due and payable.

5. Premiums

The first Named Insured shown in the Declarations:

- a. Is responsible for the payment of all premiums; and
- b. Will be the payee for any return premiums we pay.

All losses under this policy will be adjusted as though such coverage was in effect at the time of loss.

G. LOSS CONDITIONS

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the values of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Brands And Labels

In the event of loss of or damage to labels, capsules or wrappers, the loss will be adjusted on the basis of an amount sufficient to pay the cost of new labels, capsules or wrappers.

Includes copyrighted material of Insurance Services
Office, Inc., with its permission.

If branded or labeled merchandise covered by this policy is damaged and we elect to take all or any part of such merchandise at the value established by the terms of this policy, you may, at your own expense, stamp "salvage" on the merchandise or its containers, or may remove or obliterate the brands or labels, if such stamp, removal or obliteration will not physically damage the merchandise; but you must re-label the merchandise or containers in compliance with the requirements of law.

4. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limits of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense without our written consent.

- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request.
- (8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

5. Excess Insurance

Permission is granted to you to have excess insurance over the Limits of Insurance set forth in this policy without prejudice to this policy, and the existence of such insurance, if any, will not reduce any liability under this policy.

6. Loss Clause

Following an "earthquake" or "flood" loss, we have the option but not the duty of reinstating the Limits of Insurance shown in the Declarations for "earthquake" and "flood", for an additional premium.

7. Loss Payment

a. In the event of loss or damage covered by this policy, at our option, we will either:

- (1) Pay the value of lost or damaged property;

Office, Inc., with its permission.

- (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
- (3) Take all or any part of the property at an agreed or appraised value; or
- (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this policy or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.
- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

8. Other Insurance

- a. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this policy. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limits of Insurance under this policy bears to the Limits of Insurance of all insurance covering on the same basis.
- b. If there is other insurance covering the same loss or damage, other than that described in **a.** above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limits of Insurance.

9. Pair, Set Or Parts

- a. Pair or Set
In case of loss or damage to any part of a pair or set we may:
 - (1) Repair or replace any part to restore the pair or set to its value before the loss; or
 - (2) Pay the difference between the value of the pair or set before and after the loss.

Includes copyrighted material of Insurance Services
Office, Inc., with its permission.
© ISO Properties, Inc., 2007

b. Parts

In case of loss or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

10. Records and Inventory

You will keep accurate books, records and accounts in the following manner:

A detailed and itemized inventory record of all property covered hereunder will be maintained and physical inventory will be taken periodically at intervals not more than 12 months apart.

11. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance.

12. Single Loss Clause

Each loss by "earthquake" occasioned by any one disaster, loss; or series of disasters, or losses, arising out of any one event will constitute a single loss hereunder, provided, if more than one "earthquake" shock arising out of any one event occurs within any period of 168 hours during the policy period, such "earthquake" shocks will be deemed to be a single "earthquake" within the meaning hereof. We will not be liable for any loss caused by any "earthquake" shock occurring before the effective date and time of this policy, nor for any loss occurring after the expiration date and time of this policy.

Each loss by "flood" occasioned by any one disaster, loss or series of disasters, or losses, arising out of any one event, that occurs within any period of 72 hours during the policy period will constitute a single loss hereunder.

13. Stated Values

If at the time of loss, the values shown on the Declarations or the latest Schedule of Locations and Values are not individually stated for each building or contents at each location:

- a.** The value for each building will be developed by multiplying the total reported building value by the proportion that the square footage of the individual building bears to the total square footage of all buildings contemplated in the total reported building value.
- b.** The value of Contents at each location will be developed by multiplying the total reported Contents value by the proportion that the square footage of all buildings at the individual location bears to the total square footage of all buildings at all locations contemplated in the total reported Contents value.

The square footage of each separate building will be estimated or ascertained after a "loss occurrence" as necessary. For the purpose of this Loss Condition, each Coverage marked in the Declarations is deemed to be a separate Coverage.

In the event that the submission, application or Statement of Values does not provide a total stated value of one or more separate Coverage(s) by Location, but rather contains a total stated value for the separate Coverage(s) for all Locations on the policy, then the pro-rata factor for that coverage will be calculated as the square footage of the damaged building divided by the total square footage for all buildings covered under this policy.

Example:

The following example illustrates how a stated value is calculated under the conditions above. The amounts in the example shown may not be applicable to your policy. They are being used only to provide you with an example. Further, this example is not intended to be limited to determining the stated values of only individual buildings and contents, but rather is intended to be applicable to each separate Coverage marked in the Declarations.

Office, Inc., with its permission.
© ISO Properties, Inc., 2007

In this example, there are three buildings at one location, with total building values for the location of \$7,500,000 and total contents value for the location of \$3,000,000.

	Square Footage (1)	Total Square Footage Location (1)	Pro Rata Factor (2)	Location Total Building Value (1)	Building Stated Value (3)	Location Total Contents Value (1)	Contents Stated Value (4)
Building 1	10,000	50,000	0.2	\$7,500,000	\$1,500,000	\$3,000,000	\$600,000
Building 2	25,000	50,000	0.5	\$7,500,000	\$3,750,000	\$3,000,000	\$1,500,000
Building 3	15,000	50,000	0.3	\$7,500,000	\$2,250,000	\$3,000,000	\$900,000

(1) As reported on the application or submission.

(2) The Pro-rata Factor is calculated by dividing the Square Footage of each building by the Total Square Footage Location.

(3) The Building Stated Value is calculated by multiplying the Pro-rata Factor times the Location Total Building Value.

(4) The Contents Stated Value is calculated by multiplying the Pro-rata Factor times the Location Total Contents Value.

14. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At Replacement Cost (without deduction for depreciation);
- b. Replacement cost does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac;
 - (4) "Stock", unless the Including "stock" option is shown in the Declarations;
 - (5) Manuscripts; or
 - (6) Any item covered under the Valuable Papers and Records Endorsement, when attached to and made a part of this policy.

The items listed under b. above will be valued at actual cash value as of the time of loss or damage.

Under the terms of this Valuation Provision, Tenants' Improvements and Betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the replacement cost valuation if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e.** We will not pay more for loss or damage on a replacement cost basis than the least of **(1)**, **(2)** or **(3)**, subject to **f.** below:
- (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.
- If a building is rebuilt at a new location, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original location.
- f.** The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

6. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

a. Prior to a loss to your Covered Property.

b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:

- (1) Someone insured by this insurance;

Except as stated in paragraph **A.1.a.(8)**, it is the intent of this Policy to provide coverage solely to the floors, ceilings and four perimeter walls of the individual units. Coverage does not extend to the interiors of individual units or any structures or property contained within the four perimeter walls of the units, including, but not limited to, appliances, fireplaces, plumbing fixtures, showers, bath tubs, sinks, toilets, individual air conditioners for the exclusive use of

But your business personal property does not include personal property owned only by a unit-owner.

- c. Additional property and appurtenant structures, but no coverage attaches for any item unless a limit for that item is shown in the Declarations. The most we will pay for each item is the amount indicated in the Declarations. If no limit is shown, that item is not covered under this policy.

Payments made for coverage provided under this paragraph c. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

B. Section A.2. **Additional Coverages** is replaced by the following:

2. Additional Coverages

a. Architectural and Engineering Costs

We will pay for the cost or expense for you to hire architects and/or engineers for services related to the repair, replacement, or reconstruction of buildings shown in the Declarations and damaged directly by "earthquake". The loss or damage to the buildings must occur during the policy period. The most we will pay for architectural and engineering costs is \$25,000 for all "loss occurrences" in any one policy period, regardless of the number of buildings involved. Payments made for coverage provided under this paragraph a. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

b. Debris Removal

- (1) Subject to Paragraph (3) below, we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to remove debris caused by an excluded cause of loss.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will not be liable under this policy for:
 - (a) Any greater proportion of such expense than the amount of insurance hereunder bears to the total amount of all insurance, whether all such insurance contains this clause or not.

Office, Inc., with its permission.
© ISO Properties, Inc., 2007

(b) Loss occasioned by the enforcement of any state or municipal law or ordinance which necessitates the demolition of any portion of the building which has not suffered loss by any Covered Cause of Loss unless such liability is otherwise specifically insured by this policy.

c. "Electronic Data Processing Equipment"

We will pay for the cost to repair or replace, with property of like kind and quality and substantially similar functionality, "electronic data processing equipment" that has been damaged or destroyed. The most we will pay for loss to "electronic data processing equipment" is \$30,000 for all loss or damage sustained in any one policy period, regardless of the number of buildings or locations involved. Payments made for coverage provided under this paragraph c. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

d. "Electronic Data"

We will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type. The most we will pay for loss to "electronic data" is \$30,000 for all loss or damage sustained in any one policy period, regardless of the number of buildings, locations or computer systems involved. Payments made for coverage provided under this paragraph d. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

e. Limited Coverage for "Fungus", Wet Rot, Dry Rot and Bacteria

- (1) The coverage described in **B.2.e.(2)** only applies when the "fungus", wet or dry rot or bacteria is the result of a Covered Cause of Loss that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) The amount of \$5,000 is the most we will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- (3) The coverage described under **e.(2)** of this Limited Coverage is limited to \$5,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all loss caused by Covered Causes of Loss which takes place during the policy period. With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$5,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limits of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limits of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

Increase in Loss or Damage as used in this Additional Coverage means any loss, damage, cost or expense resulting from the presence, treatment, removal or disposal of "fungus", wet or dry rot or bacteria as excluded in this policy.

f. Maintenance and Association Fees

We will pay for maintenance and association fees that you have been unable after reasonable effort to collect from the unit-owner whose unit must be rendered uninhabitable due to an insured loss that occurs during the policy period. After payment of loss, all amounts recovered will be paid to us after you have received any loss of maintenance or association fees in excess of the coverage provided by this Policy. You will cooperate in the effort to recover unpaid maintenance or association fees. You will not waive your right to recover maintenance or association fees receivable without our express permission. This coverage applies only during the time reasonably required to restore the affected units to a habitable condition. The most we will pay for any one "loss occurrence" is limited to the Maintenance and Association Fees Limit of Insurance shown in the Declarations. If no Limit is shown in the Declarations, there is no coverage for Maintenance and Association Fees under this policy. Payments made for coverage provided under this paragraph f. are within the Limits of Insurance shown in the Declarations.

g. "Valuable Papers and Records",

The most we will pay for loss to valuable papers and records is \$10,000 for all loss or damage sustained in any one policy period, regardless of the number of buildings or locations involved. Payments made for coverage provided under this paragraph g. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

h. Security

We will pay for the cost or expense necessary for you to hire additional security personnel to guard the insured premises because of a loss insured against under this policy. The most we will pay for security is \$30,000 for all "loss occurrences" in any one policy period, regardless of the number of premises or locations involved. Payments made for coverage provided under this paragraph h. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

- i. Underground Utilities** meaning underground pipes, flues or drains, including water, electrical, communication and sanitary systems. The most we will pay for any one "loss occurrence" is limited to the Underground Utilities limit shown in the Declarations. Payments made for coverage provided under this paragraph i. are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

j. Limited Coverage for Land Stabilization

We will pay your expenses, including engineering costs, to replace, stabilize or restore the land that supports the damaged Building when necessary in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by an "earthquake" or "flood". This Limited Coverage is only provided if a limit for "earthquake" or "flood" is shown in the Declarations.

The Limited Coverage under this subsection j. does not apply to expenses to stabilize or restore the land unless the stabilization or restoration is required in order to repair damage to the damaged Building located directly upon that land that is the result of a loss otherwise covered under the terms of this policy. This Limited Coverage does not apply to costs to stabilize or restore land if the land damage is caused by an excluded cause of loss.

We do not provide any other coverage for land, land damage or landscaping.

Office, Inc., with its permission.
© ISO Properties, Inc., 2007

The amount of \$5,000 is the most we will pay for land stabilization under this Limited Coverage. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all losses caused by "earthquake" or "flood" which take place during the policy period.

Structural damage to the Building must exceed the deductible in order for this Limited Coverage to apply.

The expenses for land stabilization will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

Payments made for coverage under this Limited Coverage for Land Stabilization are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the replacement cost valuation if you notify us of your intent to do so within 180 days after the loss or damage.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ORDINANCE OR LAW COVERAGE

This endorsement modifies insurance provided under the following:

**DIFFERENCE IN CONDITIONS COVERAGE FORM
EXCESS PROPERTY INSURANCE**

- A.** Our Limit of Insurance with respect to each and every "loss occurrence" will not exceed the Limits of Insurance for Building Ordinance shown in the Declarations. This Coverage does not increase our Limits of Insurance per "loss occurrence" nor the limit per policy period shown in the Declarations, regardless of whether one or more coverages or Covered Causes of Loss insured by this policy are involved in the "loss occurrence".
- B.** Each coverage – Coverage A, Coverage B and Coverage C – is provided under this endorsement only if that Coverage(s) is shown in the Declarations and then only with respect to the buildings described in the Declarations or the Schedule of Locations and Values. The coverage provided by this endorsement will not apply unless and until the deductible shown in the Declarations has been satisfied and a claim payment is due to you for a covered loss.

C. Application Of Coverage(s)

The Coverage(s) provided by this endorsement apply only if both **C.1.** and **C.2** are satisfied and are then subject to the qualifications set forth in **C.3.**

- 1.** The ordinance or law:
 - a.** Requires the demolition of parts of the undamaged portion of the building at a location described in the Declarations;
 - b.** Regulates construction or repair of buildings, or establishes zoning or land use requirements at a location described in the Declarations; and
 - c.** Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

2. a. Enforcement Caused By Covered Loss

The building sustains direct physical damage that is covered under this policy and such damage results in enforcement of the ordinance or law; or

b. Enforcement Caused By Combination of Covered and Uncovered Loss

The building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and both the covered and uncovered damage results in the enforcement of the ordinance or law.

c. Enforcement Caused By Uncovered Loss

But if the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

Under no circumstances will this endorsement cover any property which is excluded under this policy.

3. In the situation described in **C.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B**, and/or **C** of this endorsement. Instead, we will pay a proportion of such loss: meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section **H.** of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B** and/or **C** of this endorsement.

D. We will not pay under Coverage **A**, **B**, or **C** of this endorsement for:

1. Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
2. The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

E. Coverage

1. Coverage A — Coverage For Loss to the Undamaged Portion of the Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **A** for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires the demolition of undamaged parts of the same building.

2. Coverage B — Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires the demolition of such undamaged property.

3. Coverage C — Increased Cost of Construction Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a. Repair or reconstruct damaged portions of that building; and/or

- b. Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- c. This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law;
- d. We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

F. Loss Payment

1. All following loss payment provisions are subject to the apportionment procedures set forth in Section **C.3.** of this endorsement.
2. When there is a loss in value of an undamaged portion of a building to which Coverage **A** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - a. If Replacement Cost Coverage applies and the property is being repaired or replaced, on the same or another premises, we will not pay more than the lesser of:
 - (1) The amount you would actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building at the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (2) The Limit of Insurance shown in the Declarations as applicable to the covered building.
 - b. If Replacement Cost Coverage applies and the property is *not* repaired or replaced, or if the Replacement Cost Coverage does *not* apply, we will not pay more than the lesser of:
 - (1) The actual cash value of the building at the time of loss; or
 - (2) The Limit of Insurance shown in the Declarations as applicable to the covered building.
3. Unless Paragraph **F.5.** applies, loss payment under Coverage **B** – Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

 - a. The amount you actually spend to demolish and clear the site of the described premises; or
 - b. The applicable Limit of Insurance shown for Coverage **B** in the Declarations.
4. Unless Paragraph **F.5.** applies, loss payment under Coverage **C** – Increased Cost of Construction Coverage will be determined as follows:
 - a. We will not pay under Coverage **C**:
 - (1) Until the property is actually repaired or replaced, at the same or another premises; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage **C** is the lesser of:
 - (1) The increased cost of construction at the same premises; or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

- (2) The applicable Limit of Insurance shown for Coverage **C** in the Declarations.
- c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage **C** is the lesser of:
- (1) The increased cost of construction at the new premises; or
 - (2) The applicable Limit of Insurance shown for Coverage **C** in the Declarations.
5. If a **Combined** Limit of Insurance is shown for Coverages **B** and **C** in the Declarations, Paragraphs **F.3.** and **F.4.** of this endorsement do not apply with respect to the building that is subject to the Combined Limit, and the following loss payment provisions apply instead:
- The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the Combined Limit of Insurance shown for Coverages **B** and **C** in the Declarations. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:
- a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
 - b. With respect to the Increased Cost of Construction:
 - (1) We will not pay for the increased cost of construction:
 - (a) Until the property is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.
- G. Under this endorsement the company will not pay for loss due to any ordinance or law that:
1. You were required to comply with before the loss, even if the building was undamaged; and
 2. You failed to comply with.
- H. Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section **C.3.** of this endorsement).
- Assume:
- Flood is a Covered Cause of Loss; wind is an excluded Cause of Loss.
 - The building has a value of \$200,000
 - Total direct physical damage to building: \$100,000
 - The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
 - Portion of direct physical damage that is covered (caused by flood): \$30,000
 - Portion of direct physical damage that is not covered (caused by wind): \$70,000
 - Loss under Ordinance or Law Coverage **C** of this endorsement: \$60,000
- Step 1:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2:

Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most the company will pay under this endorsement for the Coverage **C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

NOTE: The same procedure applies to losses under Coverages **A** and **B** of this endorsement.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

TOTAL FLOOD EXCLUSION

**This endorsement modifies insurance provided under the following:
DIFFERENCE IN CONDITIONS COVERAGE FORM**

- A.** We will not pay for loss or damage caused directly or indirectly by "flood". Such loss or damage is excluded regardless of:
 - 1.** The cause of the "flood";
 - 2.** Any other cause or event that contributes concurrently or in any sequence to the loss;
 - 3.** Other causes of the loss; or
 - 4.** Whether such loss or damage arises from an event that occurs suddenly or gradually, or involves isolated or widespread damage.

- B.** We will not pay for loss or damage resulting from waterborne material involved in the "flood"; whether driven by wind or not; or whether caused by natural, external, or man made forces.

- C.** We will not pay for loss or damage due to a "flood" which results from the intentional or negligent act, error, omission or professional negligence of any party.

This exclusion applies even though the loss or damage is contributed to in any manner by a Covered Cause(s) of Loss which is insured against in this policy.

AMENDMENT TO DEDUCTIBLE CLAUSE AND STATED VALUES LOSS CONDITION

**This endorsement modifies insurance provided under the following:
DIFFERENCE IN CONDITIONS COVERAGE FORM UND 1211**

- A. Section B. DEDUCTIBLE CLAUSE** of the **DIFFERENCE IN CONDITIONS COVERAGE FORM UND 1211** is replaced by the following:

All claims for loss or damage arising out of a single "loss occurrence" will be adjusted as one claim, and we will then be liable for the excess of the percentage(s) or amount(s) shown in the Declarations, but in no event to exceed the applicable Limits of Insurance. If two or more causes of loss covered by this policy contribute to a single "loss occurrence", the total deductible will be the largest deductible applicable.

1. Per Unit of Insurance

When "Per Unit" is indicated in the Declarations, your deductible is calculated separately for, and applies separately to each Unit of Insurance. Each separate Coverage Item described in Section E. **SCHEDULE OF LOCATIONS AND VALUES** in the Declarations is considered a separate Unit of Insurance. The deductible is calculated by multiplying the deductible percentage separately to the stated value of each Unit of Insurance.

EXAMPLE – APPLICATION OF PER UNIT OF INSURANCE DEDUCTIBLE

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example.

One location with one Building:

Building #1 - The total stated value of the Building is \$800,000, Contents is \$700,000 and Business Income is \$200,000

The total adjusted loss at Building #1 = \$100,000 in Building damage, \$600,000 in Contents damage and \$150,000 for Business Income loss.

Deductible = 10%

Step 1: Building deductible = \$800,000 x 10% = \$80,000

Step 2: Contents deductible = \$700,000 x 10% = \$70,000

Step 3: Business Income deductible = \$200,000 x 10% = \$20,000

Step 4: Building damage less deductible = \$100,000 - \$80,000 = \$20,000

Step 5: Contents damage less deductible = \$600,000 - \$70,000 = \$530,000

Step 6: Business Income loss less deductible = \$150,000 - \$20,000 = \$130,000

The most we will pay is \$680,000. That portion of the total adjusted loss not covered due to the application of the deductibles is \$170,000.

2. Per Location

When "Per Location" is indicated in the Declarations, your deductible is calculated separately for, and applies separately to each location stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations. The deductible is calculated by multiplying the deductible percentage to the sum of the collective values for all Coverage Items associated with each location stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** of the Declarations, regardless of whether such Coverage Items incurred loss or damage.

EXAMPLE – APPLICATION OF PER LOCATION DEDUCTIBLE

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example.

Two locations with two Buildings at location #1 and one building at location #2:

Location #1, Building #1 - The total stated value of the Building, Contents and Business Income is \$1,920,000. The total adjusted loss for Building, Contents and Business Income at Building #1 = \$1,000,000

Location #1, Building #2 - The total stated value of the Building, Contents and Business Income is \$140,000. The total adjusted loss for Building, Contents and Business Income at Building #2 = \$30,000

Location #2, Building #1 – The total stated value of the Building, Contents and Business Income is \$900,000. The total adjusted loss for Building, Contents and Business Income at Location #2 = \$200,000

Deductible = 10%

Step 1: Total adjusted loss at Location #1 = Building #1 loss plus Building #2 loss = \$1,000,000 + \$30,000 = \$1,030,000

Step 2: Total adjusted loss at Location #2 = \$200,000

Step 3: Deductible applied to Location #1 = stated value at Building #1 plus the stated value at Building #2 = (\$1,920,000 + \$140,000) x 10% = \$206,000

Step 4: Deductible applied to Location #2 = stated value of Location #2 = \$900,000 x 10% = \$90,000

Step 5: Location #1 loss minus deductible = \$1,030,000 - \$206,000 = \$824,000

Step 6: Location #2 loss minus deductible = \$200,000 - \$90,000 = \$110,000

The most we will pay is \$934,000. That portion of the total adjusted loss not covered due to the application of the deductible is \$296,000.

3. Per Policy

When "Per Policy" is indicated in the Declarations, your deductible is calculated by multiplying the deductible percentage to the sum of the collective values for all Coverage Items stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations, regardless of whether such Coverage Items incurred loss or damage.

EXAMPLE – APPLICATION OF PER POLICY DEDUCTIBLE

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example.

Two locations with one Building at each location:

Location #1 - The total stated value of the Building, Contents and Business Income is \$2,000,000.

The total adjusted loss for Building, Contents and Business Income at Location #1 = \$1,600,000
 Location #2 – The total stated value of the Building, Contents and Business Income is \$400,000.
 The total adjusted loss for Building, Contents and Business Income at Location #2 = \$0

Deductible = 10%

Step 1: \$2,000,000 + \$400,000 = \$2,400,000 (total Policy values for all Coverage Items)

Step 2: Deductible applied to the policy = \$2,400,000 x 10% = \$240,000

Step 3: Loss minus deductible = \$1,600,000 - \$240,000 = \$1,360,000

The most we will pay is \$1,360,000. That portion of the total adjusted loss not covered due to the application of the deductible is \$240,000.

B. Paragraph G.13 of LOSS CONDITIONS of the DIFFERENCE IN CONDITIONS COVERAGE FORM UND 1211 is replaced by the following:

The stated values of all Coverage Items are represented by the values shown in Section E. **SCHEDULE OF LOCATIONS AND VALUES** in the Declarations. If, at the time of the "loss occurrence", there is no value stated in Section E. **SCHEDULE OF LOCATIONS AND VALUES** for each individual building at a scheduled location, the stated value for each building will be determined by multiplying the total reported value of all buildings by the proportion that the square footage of the individual building bears to the total square footage of all buildings contemplated in the total reported building value.

The square footage of each separate building will be estimated or ascertained after a "loss occurrence" as necessary. The resulting apportioned values will be considered the stated value for the individual building. The apportioned value will be considered a) a separate Unit of Insurance for deductible calculations as specified in Section B. **DEDUCTIBLE CLAUSE**; and b) the stated value with respect to the Limits of Insurance as specified in Section A.2.b., **LIMITS OF INSURANCE** in the Declarations.

EXAMPLE

The following example illustrates how a stated value is calculated under the conditions above. The amounts in the example shown may not be applicable to your policy. They are being used only to provide you with an example.

In this example, the **SCHEDULE OF LOCATIONS AND VALUES** shows three buildings at one location, with total building values for the location of \$7,500,000. Building 1 is 10,000 square feet. Building 2 is 25,000 square feet. Building 3 is 15,000 square feet, as reported on the application or submission or otherwise estimated or ascertained. The total square footage for the location is 50,000 square feet (10,000 plus 25,000 plus 15,000). The policy has a 5% deductible that applies Per Unit of Insurance.

Loc #	Bldg #	Address	Coverage Item	Value
1	Aggregate, 3 buildings	415 Main Street, Springfield, CA 90000	Building	\$ 7,500,000

Step 1: Determine the stated value of each building by multiplying the total reported building value of \$7,500,000 by the proportion that the individual building square footage bears to the total square footage.

Building 1: $\$7,500,000 \times (10,000/50,000) = \$1,500,000$.

Building 2: $\$7,500,000 \times (25,000/50,000) = \$3,750,000$.

Building 3: $\$7,500,000 \times (15,000/50,000) = \$2,250,000$.

Step 2: Determine applicable deductible by multiplying the deductible percentage of 5% times the stated value of the Coverage Item.

Building 1: $5\% \times \$1,500,000 = \$75,000$

Building 2: $5\% \times \$3,750,000 = \$187,500$

Building 3: $5\% \times \$2,250,000 = \$112,500$

Step 3: Determine the maximum amount payable for each building per Section **A.2.b LIMITS OF INSURANCE** in the Declarations, subject always to the entire provisions of that section.

Building 1: stated values minus deductible: $\$1,500,000 - \$75,000 = \$1,425,000$

Building 2: stated values minus deductible: $\$3,750,000 - \$187,500 = \$3,562,500$

Building 3: stated values minus deductible: $\$2,250,000 - \$112,500 = \$2,137,500$

EXCLUSION OF CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

**DIFFERENCE IN CONDITIONS COVERAGE FORM UND 1211
EXCESS PROPERTY INSURANCEUND 1414**

- A.** The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

- B.** The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

- C. Application Of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Policy, such as losses excluded by the hostile or warlike action exclusion or the nuclear reaction, radiation or radioactive contamination exclusion in Section **D. Causes of Loss Excluded** of the Difference In Conditions Coverage Form or the nuclear hazard and war and military action exclusions in any primary or underlying policy(ies).

Nothing contained in this endorsement will be held to vary, alter, waive or extend any of the terms, conditions, or limitations of the policy to which this endorsement is attached other than as stated above.

Several Liability Clause

PLEASE NOTE – This notice contains important information. PLEASE READ CAREFULLY

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

CALIFORNIA CHANGES - CANCELLATION AND NONRENEWAL

This endorsement modifies insurance provided under the following:

**DIFFERENCE IN CONDITIONS COVERAGE FORM
EXCESS PROPERTY INSURANCE FORM**

2. All Policies In Effect For 60 Days Or Less

If this policy has been in effect for 60 days or less, and is not a renewal of a policy we have previously issued, we may cancel this policy by mailing or delivering to the first Named Insured at the mailing address shown in the policy and to the producer of record, advance written notice of cancellation, stating the reason for cancellation, at least:

- a.** 10 days before the effective date of cancellation if we cancel for:

- b.** 30 days before the effective date of cancellation if we cancel for any other reason.

3. Policies In Effect For More Than 60 Days

- a.** If this policy has been in effect for more than 60 days, or is a renewal of a policy we issued, we may cancel this policy only upon the occurrence, after the effective date of the policy, of one or more of the following:
- (1)** Nonpayment of premium, including payment due on a prior policy we issued and due during the current policy term covering the same risks.

 - (4)** Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by you or your representative, which materially increase any of the risks insured against.
 - (5)** Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.

- (6) A determination by the Commissioner of Insurance that the:
 - (a) Loss of, or changes in, our reinsurance covering all or part of the risk would threaten our financial integrity or solvency; or
 - (b) Continuation of the policy coverage would:
 - i. Place us in violation of California law or the laws of the state where we are domiciled; or
 - ii. Threaten our solvency.
- (7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.
- b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown on the policy, and to the producer of record, at least:

- 5. If this policy is cancelled, we will send the first Named Insured any premium refund due. The refund, if any, will be computed on a pro rata basis. However, the refund may be less than pro rata if we made a loan to you for the purpose of payment of premiums for this policy.
The cancellation will be effective even if we have not made or offered a refund.

B. The following provision is added to the **Cancellation** Policy Condition:

7. Residential Property

This provision applies to coverage on real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit, if such coverage is written.

- a. If such coverage has been in effect for 60 days or less, and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except as provided in **b.** and **c.** below.
- b. We may not cancel this policy solely because the first Named Insured has:
 - (1) Accepted an offer of earthquake coverage; or
 - (2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

- c. We may not cancel such coverage solely because corrosive soil conditions exist on the premises. This restriction **c.** applies only if the coverage form excludes loss or damage caused by or resulting from corrosive soil conditions.

C. The following is added and supersedes any provisions to the contrary:

Nonrenewal

1. Subject to the provisions of paragraphs **C.2.** and **C.3.** below, if we elect not to renew this policy, we will mail or deliver written notice stating the reason for nonrenewal to the first Named Insured shown in the Declarations and to the producer of record, at least 60 days, but not more than 120 days, before the expiration or anniversary date.

We will mail or deliver our notice to the first Named Insured, and to the producer of record, at the mailing address shown in the policy.

2. Residential Property

This provision applies to coverage on real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit, if such coverage is written.

- a. We may elect not to renew such coverage for any reason, except as provided in **b.**, **c.** and **d.** below:
- b. We will not refuse to renew such coverage solely because the first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

- (1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;
- (2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policy holder surplus of at least 25% for payment of those claims; or
- (3) We have:
 - (a) Lost or experienced a substantial reduction in the availability or scope of reinsurance coverage; or
 - (b) Experienced a substantial increase in the premium charged for reinsurance coverage of our residential property insurance policy; andthe Commissioner has approved a plan for the nonrenewals that is fair and equitable, and that is responsive to the changes in our reinsurance position.

- c. We will not refuse to renew such coverage solely because the first Named Insured has cancelled or did not renew a policy, issued by the California Earthquake Authority that included an earthquake policy premium surcharge.
- d. We will not refuse to renew such coverage solely because corrosive soil conditions exist on the premises. This restriction **d.** applies only if the coverage form excludes loss or damage caused by or resulting from corrosive soil conditions.

2. We are not required to send notice of nonrenewal in the following situations:

- a. If the transfer or renewal of a policy, without any changes in terms, conditions, or rates, is between us and a member of our insurance group.

- b. If the policy has been extended for 90 days or less, provided that notice has been given in accordance with paragraph **C.1**.
- c. If you have obtained replacement coverage, or if the first Named Insured has agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.
- d. If the policy is for a period of no more than 60 days and you are notified at the time of issuance that it will not be renewed.
- e. If the first Named Insured requests a change in the terms or conditions or risks covered by the policy within 60 days of the end of the policy period.
- f. If we have made a written offer to the first Named Insured, in accordance with the timeframes shown in paragraph **C.1**, to renew the policy under changed terms or conditions or at an increased premium rate, when the increase exceeds 25%.
