California is split into 58 Counties

Santa Barbara County
Isla Vista is in the Third District; since IV is not in a city, it is governed by the County.
Each District has a Supervisor

Gail Marshall is now the Third District Supervisor. She will step down at the end of 2004.

Tonight, the four candidates on the Mar. 2 ballot who seek to replace her will participate in a forum.
The Board of Supervisors

1) Governs through a combination of Executive and Legislative powers… sometimes even Judicial powers.

2) Meets nearly every Tuesday, partly at the County Building at Anacapa and Anapamu in Santa Barbara, partly in Santa Maria. You can watch on Channel 20.

3) Has only partial control over other County elected officials, like the Sheriff (Jim Anderson) and the District Attorney (Tom Sneddon).

4) All California Counties but one have 5 Supervisors. San Francisco has 11 Supervisors plus a Mayor.
What does Santa Barbara County do?

1) Administer lots of California State Laws and Programs, including health care services for the least affluent; manages most roads outside cities.

2) Decides on how land outside of cities can be used; for example, for open space, parks, farms, or new houses.

3) Enforces the laws, many from the State, and many local, like Isla Vista’s noise ordinance.

4) A lot more...

... most places like IV are in cities, though.
Isla Vista has tried many times to become a city, or join a city...

... but it has always failed.
`Special Districts’ provide Isla Vista services … a few have elected boards

1) Water - Goleta Water District (GWD) (elected board)
2) Sewage - Goleta West Sanitary District (GWSD) (elected board)
3) Recreation and Parks - Isla Vista Recreation and Park District (elected board)
4) Mosquito Control etc. - Santa Barbara Coastal Vector Control District
5) Buses - Metropolitan Transit District
6) Fire Department - County Fire
7) Street Lighting - County Service Area 31
8) Sheriff - County Service Area 32

IV residents rarely vote in GWD and GWSD elections.

STATEMENT OF CANDIDATE FOR
COUNTY SUPERVISOR, 3RD DISTRICT

SLICK GARDNER

Occupation: Rancher/Farmer

Education and Qualifications:

I have lived in the Santa Barbara County for over 55 years, raising 2 children here. I believe in slow growth and open space. If elected I would like to create a website so that everything that came in front of me could be viewed by and voted on by my constituents. The website will allow me to SPEAK FOR YOU. I have a great concern about our coastline. The county dump is within 1/2 mile of our Pacific Ocean. I will work hard toward closing the dump and replacing it with emission free digesters. I will be donating my salary as 3rd District Supervisor to UCSB for financial aid to attending students.

STATEMENT OF CANDIDATE FOR
COUNTY SUPERVISOR, 3RD DISTRICT

BROOKS FIRESTONE

Occupation: Farmer/Teacher

Education and Qualifications:

I have lived in Santa Barbara County for over 30 years and been married to Kate for 45 years.

I graduated in economics from Columbia University and served two years in the army. After twelve years in the tire business I founded the Firestone Winery in the Santa Ynez Valley where I still live and work.

I have been involved in numerous non-profit and public service positions. I served two terms in the California State Assembly, representing Santa Barbara County.

I am running to serve as a bridge between the various communities and interests in the 3rd Supervisorial district. My wide experience in farming, business, non-profit volunteerism and public service positions makes me uniquely qualified for that role.

My four years as Vice Chair of the Assembly Higher Education Committee qualifies me to represent the UCSB campus. I am well prepared and enthusiastic to be an advocate for the campus in Sacramento and the Santa Barbara community.

As a bicyclist with a hobby of planting and nurturing oak trees, I am committed to maintaining the environmental integrity of our county and leaving the heritage of our beautiful county to future generations.

STATEMENT OF CANDIDATE FOR COUNTY SUPERVISOR, 3RD DISTRICT

JOHN BUTNYY

Occupation: 3rd District Supervisor Senior Staff

Education and Qualifications:

I'm running to carry on the 3rd District 30-year tradition of leadership in building vibrant communities, where environmental protection and economic prosperity go hand in hand.

As senior Staff to Supervisors Bill Wallace and Gail Marshall, I stand on my 18-year record of public service.

As your 3rd District Supervisor I will continue to work to preserve agriculture and open space, support public safety, protect our ocean, beaches and communities from more oil development, improve air and water quality, defend endangered oaks and avoid urban sprawl, especially on the Gaviota Coast.

I will continue to support important social issues, including renters' rights, affordable housing and fair employee contracts.

Our County is strong economically, environmentally and socially because of its diversity; and I actively oppose splitting Santa Barbara County.

I'm a U.S. Navy veteran and a graduate of the University of New Hampshire.

Santa Barbara County has been my home for 25 years where my wife and I raised three children. Our grandchildren live here too. I seek to continue my public service to pass on to future generations a County of great beauty, with a strong economy and a healthy environment.
